

Dear Patient,

Lone Star Circle of Care is required by law to maintain your medical records and allow you to access those records. To better serve our patients, HealthMark Group is now the Release of Information partner for Lone Star Circle of Care, and they will fulfill all requests for copies of medical records.

Although we are permitted to charge a reasonable, cost-based fee for this service, Lone Star Circle of Care and HealthMark Group are waiving these fees for all Lone Star Circle of Care patients. If you would like to receive a copy of your medical records, you may do so via any of the following methods:

- Immediate Digital Access via the Patient Portal. Visit the Lone Star Circle of Care website at
 www.lonestarcares.org and select Patient Portal from the top right corner. Sign in to your
 account and immediately access, download, or print your records. If you need assistance
 accessing your account, please contact Lone Star Circle of Care at 1-877-800-5722. Please be
 aware that the portal does not contain your full medical record. For example, your visit notes,
 scanned documents and forms, and records we receive from other providers will not be
 displayed on the site. For a complete copy of your medical record follow the instructions below.
- Request Digital Copies of your FULL Medical Record. Visit www.HealthMark-Group.com, select
 "Requestors", login to the MedRelease tool (note: if it is your first time using this tool, you will
 need to create an account). Once logged in click "Submit Request" to complete the HIPAA
 Compliant Electronic Authorization. After the Electronic Authorization Form has been completed
 click "Authorize Release" at the bottom of the page.
- Fill out a paper authorization form and send it to us by mail, fax, or in person. A copy of this form may be provided by Lone Star Circle of Care staff at any location. You may also find this from on the Lone Star Circle of Care website at www.lonestarcares.com (click the link on the home page that says "Request Medical Records").
